Section 6. Title

- A. Monetary Liens.** Notwithstanding anything else in this Contract, Seller agrees to remove all Monetary Liens from the Purchased Lots at its sole cost prior to Closing. Seller shall not have any obligation to remove any exceptions to title except for Monetary Liens, unless Seller so elects as provided herein. Buyer will have three (3) business days after receipt of the preliminary title report from Escrow Agent to review and approve or disapprove the preliminary report or commitment for issuance of the Title Policy for the Purchased Lots by giving written notice delivered to Seller on or before expiration of the three (3) business day period (the "Title Objection Notice"). If Buyer reasonably determines that any matters indicated as exceptions in such Title Report (other than Monetary Liens that Seller has already agreed to remove and the standard printed exclusions or exceptions) materially impair Buyer's contemplated use of the Purchased Lots or the value of the Purchased Lots, Buyer will be entitled to object to such matter.
- B. Title Objection Notice.** After receipt of Buyer's Title Objection Notice, if any, Seller will (except with respect to any Monetary Lien) elect in a writing delivered to Buyer to either: (i) eliminate the matters to which Buyer has objected, (ii) cause the Title Company to insure over said matters at Seller's sole cost, or (iii) notify Buyer, in writing, that Seller (in the exercise of its sole discretion) is unable or unwilling to eliminate said matters or cause the Title Company to insure over said matters ("Title Objection Response"). Seller shall provide its Title Objection Response within three (3) business days of receipt of Buyer's Title Objection Notice. Seller's failure to deliver notice to Buyer of Seller's election will be deemed an election of option (iii). If Seller elects option (iii), then Buyer will have until the expiration of two (2) business days after receipt of Seller's Title Objection Response to deliver to Seller written notice of Buyer's election to either terminate this Contract and related Escrow or to waive Buyer's objections and proceed with the contemplated purchase. Buyer's failure to deliver notice to Seller of Buyer's election as specified herein will be deemed an election to waive Buyer's objections.
- C. Supplements to Title Report.** Escrow Agent will cause any supplement to the Title Report that may be issued from time to time by Title Company with new title exception(s) not previously reviewed by Buyer ("New Exceptions") to be delivered to Buyer and Seller accompanied by legible copies of all such New Exceptions as soon as reasonably possible. Buyer will have five (5) business days from the date of receipt of any such supplemental Title Report(s) in which to disapprove any New Exceptions or title defects listed thereon except for any Monetary Liens, which will be deemed to have been timely disapproved and objected to by Buyer ("Supplemental Objection(s)"). Unless Buyer provides Seller with a Supplemental Objection of any such New Exception or title defect within such three (3) business day period, the applicable New Exception or title defect shown thereon will be deemed approved, excluding Monetary Liens. In event that Buyer objects to or disapproves any New Exception contained thereon, the same procedure for Title Objection Notice and Title Objection Responses as detailed above will be used by the Parties hereto.
- D. Title Policy.** Buyer will be issued a California Land Title Association Standard Coverage Policy form policy of title, insuring Buyer in the maximum dollar amount insurable by Chicago Title and Escrow provided said amount does not exceed the amount of the Purchase Price and which shows fee title to the Purchased Lots vested in Buyer subject only to the Permitted Exceptions. The Title Policy will be issued by Chicago Title and Escrow or other nationally recognized title insurer acceptable to Seller. The premium for such Policy, excluding the costs of any endorsements, and any costs for the issuance of the Preliminary Report will be paid by Seller and Buyer in accordance with the provisions of Section 10 of this Agreement. A copy of Seller's Grant Deeds to Buyer and of any other instruments to be reflected in the Title Policy must be submitted to Buyer within a reasonable time-period prior to the Closing Date for Escrow Agent's approval. If Seller fails to deliver title as herein provided or Buyer is not able to obtain the

above-specified Buyer's Title Policy, Buyer at its option may terminate this Contract by written notice to Seller.

Section 7. Taxes and Assessments

Real property taxes and assessments against the Purchased Lots shall be prorated based on the most recent tax statement for the Property as of 12:01 a.m. on the actual day of the Close of Escrow, based on a 365-day year. At least three (3) business days prior to the Closing Date, Escrow Agent must deliver to Seller and Buyer a tentative proration schedule setting forth a preliminary determination of proration's. If any information needed for the proration of any item is not available, the parties will re-prorate such item after Closing and payment will be made promptly to the party entitled thereto. After Closing, Seller will remain solely responsible for and will promptly pay before delinquency on any real property taxes or assessments relating to periods prior to the Closing Date.

Section 8. Escrow

On the Effective Date, (i) Seller and Seller will each deliver to Escrow Agent, a copy of this Agreement signed in counter-part by each Party. On September 8, Buyer shall deposit the Initial Deposit of \$200,000 with Escrow Agent pursuant to Section 2.A.a. of this Agreement. Upon receipt of the Initial Deposit, Escrow Agent shall (i) send written acknowledgment to Buyer and Seller in the form of a receipt for the Initial Deposit, and (ii) acknowledge that Escrow Agent agrees to act as Escrow Agent under the terms and provisions hereof. The terms and conditions set in this Agreement will constitute both an agreement between Seller and Buyer and escrow instructions to Escrow Agent. Each party shall also deliver additional escrow instructions (the "Additional Instructions") to the extent reasonably necessary to the Escrow Agent provided that such separate instructions do not conflict with this Agreement. If there are any conflicts between the terms of this Agreement and the Additional Instructions, this Agreement shall prevail and govern. The Additional Instructions will not modify or amend the provisions of this Agreement unless otherwise set forth in a separate written document signed by both Buyer and Seller.

Section 9. Due Diligence Period

"Due Diligence Period" shall mean the period starting from the Effective Date until 5.00 p.m. Pacific Standard Time on September 14, 2017. Buyer may, at any time during the Due Diligence Period, terminate this Agreement in its sole and absolute discretion for any or no reason, by sending to Seller and Escrow Agent written notice via email indicating Buyer's election to so terminate the Agreement (the "Due Diligence Termination Notice"). Buyer's failure to deliver to Seller the Due Diligence Termination Notice via email prior to the expiration of the Due Diligence Period shall be deemed as an election to waive its Due Diligence rights under this Agreement and proceed with the contemplated transaction.

Section 10. Closing Costs and Adjustments

- A. Seller will pay all City and County documentary transfer taxes payable related to the sale of the Purchased Lots.
- B. Buyer and Seller will each pay one-half (1/2) of all premiums for the Buyer's Title Policy including the costs of additional endorsements.

Buyer hereby agrees to indemnify, defend and hold Seller harmless from and against claim for any commission or other compensation by a real estate broker or finder other than that which is alleged to be owing because of the agreement or alleged agreement of Buyer to pay any such commission. Upon the occurrence of the Close of Escrow, Seller agrees to pay a commission of \$289,200.00 to Seller's real estate broker, George Spizzirri D/B/A Pacific Cove Real Estate (the "Seller's Broker"), pursuant to a separate agreement between Seller and the Seller's Broker. D. Article I Easements

Ingress and Egress.

1.1. Ingress and Egress. Each Owner with respect to its Parcel hereby grants to each other Owner as grantee, for the benefit of each other Owner and their respective Occupants, customers and invitees and for the benefit of the Parcels owned by such grantee a non-exclusive easement appurtenant to each grantee's Parcel to effect ingress and egress by vehicular and pedestrian traffic upon, over, across and through the Access Area located within grantor's Parcel. Without limiting the generality of the foregoing, Second Declarant hereby grants to First Declarant a non-exclusive easement over, across and through the entry driveway into the Property from the *[name of street]*, as indicated on Exhibit A, including any future reconfiguration thereof ("Entry Driveway"), for ingress and egress to and from the First Declarant Parcel, for the benefit of First Declarant, its Occupants, customers and invitees. This Section 1.1 will not create any rights in any parties other than the Owners, and no Owner will have the right to grant easements for ingress, egress, **parking** or use of the Common Area to any third party who is not an Owner or Occupant or a customer or invitee of an Owner or Occupant.

Parking.

1.2. Parking. Each Owner, with respect to its Parcel, hereby grants to each other Owner as grantee, for the benefit of each other Owner, and their respective Occupants, customers and invitees of the Property and for the benefit of the Parcels owned by such grantee and as a burden on the grantor's Parcel, a non-exclusive easement appurtenant to each grantee's Parcel for vehicular **parking** upon the Common Area of such Parcel for the purpose of access to the Property. All employees of each Owner or Occupant must **park** only on the Parcel of that Owner or Occupant.

Utility Lines.

1.3. Utility Lines. Each Owner, as grantor with respect to its Parcel, hereby grants each other Owner as grantee, for the benefit of each other Owner and its Parcel, non-exclusive easements appurtenant to the Parcel owned by the grantee, under, through and across the Common Area of the Parcel owned by the grantor for the installation, maintenance, repair and replacement of water drainage systems or structures, water mains, storm drains, sewers, water sprinkler system lines, telephone or electrical conduits or systems, gas mains, transformers and other facilities for utilities necessary for the orderly development and operation of the Common Area and each Building in the Property. The rights granted pursuant to such easements will be exercised in such manner as to cause the least interference with the rights of other Owners and with the normal operation of the Property. Except in an emergency, the right of any Owner to enter upon the Parcel of another Owner for the exercise of any right pursuant to such easements will be conditioned upon obtaining the prior written consent of such other Owner, subject to Section 8.15 of this Agreement. All such systems, structures, mains, sewers, conduits, lines and other facilities, with the exception of transformers, for utilities will be installed and maintained below the surface or ground level of such easements. In the event an Owner deems it necessary to cause the installation of a storm drain, electric line, sewer or other Utilities across the Common Area of any other Parcel subsequent to the initial paving and improving thereof, the Owner thereof agrees not to unreasonably withhold the granting of any necessary additional easements, provided that in no event will such installation be permitted if it would unreasonably interfere with the normal operation of any business of the Property; and provided further, the Owner making or causing such installation will, at its expense, completely restore to the previously existing or better condition all Common Area Improvements and surfaces disrupted as a result of such installation. In the event it should be necessary to grant any of the foregoing easements and rights to local utility companies as a condition of

their providing or continuing service, such rights will be granted at no cost so long as the Owners required to execute such instruments deem the terms and conditions of such a grant to be reasonably acceptable.

Drainage Easement.

1.4. Drainage Easement. Each Owner grants to each other Owner a non-exclusive easement over its Parcel for surface water drainage over and through the existing drainage patterns and storm water drainage systems or such other drainage patterns that may be established from time to time among the Parcels in accordance with this Agreement. Nothing herein will prevent an Owner from relocating the drainage patterns established upon such Owner's Parcel, subject to this Agreement.

Transfer of Rights to Tenants.

1.5. Transfer of Rights to Tenants. Notwithstanding anything to the contrary herein, an Owner may transfer and assign the easement rights contained in this Article I of this Agreement to its Occupants so long as any such Owner remains liable for any breach of the obligations of an Owner set forth in this Agreement.

Article II Common Area; Maintenance

Common Area Use.

2.1. Common Area Use. The Common Area will be used for:

- (a) **Parking** of motor vehicles, and pedestrian and vehicular ingress and egress by Occupants, their agents, employees, customers and other invitees, to and from Buildings, Common Area and adjacent public streets;

In addition, the Common Area may be used for the following purposes: (i) in connection with the construction and maintenance of utility lines so long as such activity is undertaken in strict compliance with the requirements of Section 1.3 of this Agreement; and (ii) for any other use required by Law. No Building, barricade, structure or other Improvements may be placed, erected or constructed within the Common Area on any Parcel except trash

enclosures, pylon and other free-standing signs (to the extent not herein prohibited) and directional signs, bumper guards or curbs, paving, landscaping and landscape planters, lighting standards, driveways, sidewalks, walkways, **parking** stalls, columns or pillars supporting roof overhangs, and any other Improvements as may be required under Laws or are otherwise permitted by this Agreement.

2.2. Maintenance of Common Area.

(a) Owner will, at its own expense, cause the Common Area located on its Parcel to be maintained at all times in a safe, good and clean condition and repair, including, without limitation, the following:

(i) Maintaining the paved surfaces in a level, smooth and evenly covered condition with the type of surfacing material originally installed or such substitute as will in all respects be equal or superior in quality, use and durability including seal coating the **parking** lot within such Owner's Parcel not less frequently than once each five (5) years;

(vii) Maintaining free and unobstructed access to and from its Parcel and the adjoining portions of the Property and to and from its Parcel and the streets adjacent thereto.

The Owner or Occupant undertaking such work will take all measures necessary to minimize any disruption or inconvenience caused by such work. Such work will be accomplished by the Owner or Occupant undertaking it in a reasonable manner so that any damage or adverse effect which might be caused by such work to any other Owner or Occupant or to any Parcel (including the Parcel on which the work is being accomplished) is minimized. The Owner or Occupant undertaking such work will repair at its own cost any and all damage caused by such work and will restore the affected portion of any Parcel (including the Parcel upon which such work is performed) to a condition which is equal to or better than the condition which existed prior to the beginning of such work. In addition, the Owner or Occupant undertaking such work will pay all costs and expenses associated therewith and will indemnify, protect, defend and hold all other Owner(s) and Occupants from all liabilities, damages, losses, costs, expenses or claims arising out of, in connection with or attributable to the performance of such work. Except in cases of emergency (in which event concurrent notice or no notice appropriate under the circumstances will be all that is required), all such work which causes disruption or inconvenience to any other Owner or Occupant or to any Parcel (including the Parcel on which the work is being accomplished) will be undertaken only after giving all Owners fifteen (15) days prior written notice of the work to be undertaken, the scope and nature of the work, the duration of the work and the area in which the work is to be performed.

(b) Building and Outdoor Seating Area Maintenance. Each Owner will, at its sole cost and expense, maintain its Building and Service Facilities in first class order, condition and repair, including, without limitation, periodic painting of the exterior of the Building, maintaining the sidewalks adjacent to the Building, and making other

repairs necessary to keep the Building and Service Facilities in first class order, condition and repair. In addition, each Owner whose Parcel contains outside seating areas for eating establishments will ensure that such seating does not interfere with pedestrian or vehicular traffic.

(c) Owner's Right to Cure or Abate. If any Owner (a "Defaulting Owner") violates this Section 2.2 or permits or suffers any Occupant of its Parcel to violate this Section 2.2, then in addition to any other remedy provided for in this Agreement, any Owner (each or together, as applicable, the "Creditor Owner") may demand by written notice (the "Default Notice") that the violation be cured. If the Defaulting Owner does not cure the violation of a monetary obligation within ten (10) days after delivery of the Default Notice, or if such non-monetary default is of a kind that cannot reasonably be cured within thirty (30) days and the Defaulting Owner does not within such thirty (30) day period commence to cure such default and diligently thereafter prosecute such cure to completion, then the Creditor Owner (and its agents and employees) will have the right to (i) pay any sum owed by the Defaulting Owner to the person entitled thereto, (ii) enter upon the Parcel of the Defaulting Owner (or any portion of the Common Area owned by the Defaulting Owner) and summarily abate, remove or otherwise remedy any Improvement, thing or condition which violates this Section 2.2, and (iii) enter upon the Parcel of the Defaulting Owner (or any portion of the Common Area owned by the Defaulting Owner) and perform any obligation of the Defaulting Owner to be performed thereon. The Defaulting Owner will, within ten (10) days of written demand by any other Owner, accompanied by appropriate supporting documentation, reimburse the Creditor Owner for all costs and expenses incurred by the Creditor Owner in undertaking any of the actions permitted by clauses (i) through (iii) in the preceding sentence, including without limitation, wages, benefits and overhead allocable to the time expended by any employee of the Creditor Owner in taking such actions, together with interest thereon accruing from the date such costs and expenses were advanced or incurred by the Creditor Owner, at the Default Interest Rate (as herein defined). For purposes of this Agreement, the "Default Interest Rate" is the rate equal to the lesser of: (i) four percent (4%) per annum in excess of the "Prime Rate," or (ii) the highest lawful rate. The "Prime Rate" will be the rate announced as such from time to time by Bank of America or its successor.

Common Area Utilities.

2.3. Common Area Utilities. Common Area artificial lighting facilities, water lines and other utilities will be separately metered to the Parcel on which they are located. Lighting for the Common Area (other than lighting necessary for security of the Property) will remain on each day until at least midnight (unless to do so is contrary to any Law, in which event the standard so prescribed will be adhered to while in effect). Lighting representing not less than twenty-five percent (25%) of full intensity of the Common Area lighting system, uniformly distributed throughout the Common Area, will remain on each day after midnight until dawn for security purposes, unless to do so is contrary to any Law, in which event, the standard so prescribed will be adhered to while in effect. If "special" lighting (other than lighting necessary for security of the Property) is required or if regular lighting is required for a time later than the foregoing by any Owner or Occupant of the Property, then the electricity to service such lighting requirements will, if reasonably feasible, be separately metered and all expenses thereof will be paid by such Owner(s) or Occupant(s) that require the special service.

Each Owner will pay its Proportionate **Share** of the costs of maintenance, insurance, repair and replacement of the Pylon Sign (but not the panel or panels thereupon, which shall be each Owner's respective responsibility as to the Owner's panel(s)).

Article V Indemnification and Insurance

Indemnification.

5.1. Indemnification. Each Owner ("Indemnifying Party") hereby indemnifies, holds harmless and defends the other Owner ("Indemnified Party(ies)") from and against all claims, damages, expenses (including, without limitation, reasonable attorney's fees and reasonable investigative and discovery costs), liabilities and judgments on account of injury to persons, loss of life, or damage to property occurring on its Parcel, caused by (i) the business activities of the Occupants and Owners, and (ii) the active or passive negligence or willful misconduct of the Indemnifying Party, its agents, servants or employees; provided, the Indemnifying Party does not indemnify the Indemnified Party against any injury, loss of life, or damage which is caused by the active or passive negligence or willful misconduct of the Indemnified Party, the other Owners in the Property, or their agents, servants or employees. The parties' obligations with respect to indemnification hereunder will remain effective, notwithstanding the expiration or termination of this Agreement, as to claims arising or accruing prior to the expiration or termination of this Agreement.

Liability Insurance Coverage and Limits for Owners.

5.2. Liability Insurance Coverage and Limits for Owners. Each Owner agrees to maintain, and/or cause to be maintained, at no cost to the other Owners, commercial general liability insurance insuring its interests against claims for personal injury, bodily injury, death and property damage occurring on, in or about the Property and the ways immediately adjoining the Property, with a "Combined Single Limit" (covering personal injury liability, bodily injury liability and property damage liability) of not less than Four Million Dollars (\$4,000,000.00) for total claims for any one occurrence.

Waiver of Certain Rights.

5.3. Waiver of Certain Rights. With respect to any loss or damage that may occur to the Property (or any improvements thereon) or the respective property of the Owners therein, arising from any peril customarily insured under a fire and extended coverage insurance policy, regardless of the cause or origin, excluding willful acts but including negligence of the Owners, their agents, servants or employees, the Owner suffering such loss hereby releases the other Owner from all claims with respect to such loss; and the Owners each agree that their respective insurance companies will have no right of subrogation against the other Owner on account of any such loss, and each Owner will procure from its respective insurers under all policies of fire and extended coverage insurance a waiver of all rights of subrogation against the other Owners which the insurers might otherwise have under such policies.

Policy Requirements.

5.4. Policy Requirements. Insurance coverage required by this Agreement may contain the following elements, so long as the required coverage is not diminished, the required limits are not reduced, and the elements thereof are otherwise commercially reasonable: an Owner's insurance program may include blanket, layered, umbrella, conventional and/or manuscript forms of policies, as well as retention levels and loss reserves which are charged against earnings or otherwise funded, and commercially reasonable deductibles.

In the event any Building in the Property is damaged or destroyed by fire or other casualty or any other cause whatsoever, the Owner of the Parcel upon which such Building is located will, in its discretion, either tear down or rebuild the damaged Building. However, if an Owner determines to tear down a damaged Building, that Owner will either promptly rebuild a new building on the same location or leave and maintain the Parcel of land on which the Building was located in a smooth, level condition, free and clear of all refuse and weeds and sealed against dust by paving, lawn or other cause whatsoever, the Owner of the Common Area so damaged or destroyed will forthwith proceed with due diligence to restore such Common Area to a condition to permit vehicular **parking** (in the manner required by this Agreement) and free and safe vehicular and pedestrian access and circulation in the Property and to and from all streets adjacent thereto.

Condemnation.

6.2. Condemnation. In the event the whole or any part of the Property is taken by right of eminent domain or any similar authority of Law, the entire award for the value of the land and Improvements so taken will belong to the Owner(s) of the property so taken or to their tenants, as their interest may appear, and no other Owner of land in the Property will claim any portion of such award by virtue of any interest created by this Agreement; provided, however, any such other Owner may file a collateral claim with the condemning authority over and above the value of the land and Improvements being so taken to the extent of any damage suffered by such Owner resulting from the severance of the area so taken provided such collateral claim does not diminish the amount recoverable by the Owner(s) of the property so taken. In the event of a partial taking, the Owner(s) of the portion of the Property so condemned will restore the remaining portion of the Property owned by such Owner(s), including Improvements in the Common Area, as nearly as possible to the condition existing just prior to such condemnation, without contribution from the Owners of the area not so taken and any condemnation accrual necessary therefore will be held in trust and applied for such purpose; provided, however, that if any Mortgagee (including any beneficiary under a deed of trust) of any property in the Property makes the requirement pursuant to a provision in a mortgage or other security instrument that the portion of the award representing compensation for severance damage to property not taken, be paid to the Mortgagee, then the party required to make such payment to such Mortgagee will not be obligated to apply such portion of the award to restoration, except to the extent necessary to clear and pave for **parking** and restore Common Area facilities.

Article VII Taxes

Each Owner will pay or cause to be paid directly to the tax collector when due, the Real Property Taxes assessed against the property owned by such Owner, including the portion of the Common Area owned by such Owner.

An Owner will have the right, at its own cost and expense, and in its own name, to contest or protest or seek to have reviewed, reduced, equalized or abated any real property tax or other special tax or assessment levied upon its Parcel by first paying such tax or assessment and thereafter filing a claim for refund or pursuing such other remedy as may be available under and in accordance with State Law.
